Your Responsibilities

You are responsible for answering any questions in relation to any proposal for insurance cover honestly and to the best of your knowledge, providing complete and accurate information which insurers will require. This also applies to your responses in relation to any assumptions you may agree to in the process of applying for insurance cover. If you fail to disclose information or misrepresent any fact which may influence the insurer's decision to accept the risk or the terms offered, this could invalidate the policy and mean that claims may not be paid.

It is important that you read all insurance documents issued to you and ensure that you are aware of the cover, limits and other terms that apply. Particular attention must be paid to any warranties and conditions as failure to comply with them could invalidate your policy. You must inform us immediately of any changes in circumstances which may affect the services provided by us or the cover provided by your policy. If you are unsure about any matter, please contact us for guidance.

Policy Amendments

If you contact us to request a change to your policy, we will usually respond within two working days. Changes will not be considered to have taken effect until we have confirmed them to you in writing and, if applicable, collected the relevant premium. If you have not heard from us within 2 working days of submitting your request, you should attempt to contact us again via the contact us page of our website.

Extending Single Trip Cover when we are closed

If you have a SINGLE TRIP car hire excess insurance policy, and you need to extend the cover dates, purchase a policy from our website BEFORE your existing covers expires. In order to maintain continuous cover, the additional policy must start immediately after your existing cover expires and have an expiry date after the rental vehicle will be returned.

Our Services

We source and arrange products but do not offer advice or make recommendations when arranging your insurance. However, before providing you with quotations, we establish an understanding of your insurance requirements and demands and needs, so may ask some questions to narrow down the selection of products on which we will provide details; you will then need to make your own choice about how to proceed. On the basis of the information you provide to us, your demands and needs would have been assessed, and you would be guided to the selected product in line with your demands and needs requirements.

We always aim to treat you fairly. This means that we will always endeavour to:

- conduct our business with due skill, care and integrity;
- not to put ourselves in a position where our duty to you is compromised;
- deal with complaints sympathetically and independently;
- be transparent in the matter of our remuneration; and
- respect your confidentiality.

As an independent insurance intermediary we act as your agent. We have entered into a Binding Authority Agreement (Reference Number: EVERCIELCDWXS) with Collinson Insurance Europe Limited (CIEL), which is registered and approved by the MFSA, subject to terms and conditions. Through this Agreement, CIEL delegated authority to us to underwrite, bind and administer Cover4Rentals Car Hire Excess insurance contracts on their behalf, including authority to handle and settle Cover4Rentals Car Hire Excess claims on their behalf. Therefore, when conducting these activities in respect of Cover4Rentals Car Hire Excess insurance, we will also be acting on behalf of CIEL and not solely

as your independent agent.

When we sell you a policy, we receive commission from the insurer which is a percentage of the total premium. You are entitled, at any time, to request information regarding any commission which we may have received as a result of placing your insurance business. We will not in any circumstance guarantee the solvency of any insurer.

Documentation

This document is accompanied by our quotation document (if applicable), the Demands and Needs Statement, the Insurance Product Information Document (IPID) and Policy Wording for each product. These documents provide a summary of the features of the product offered, including any applicable warranties or endorsements.

We strongly recommend that you go through all the above-mentioned documentation provided before making your final decision. We are very happy to answer any queries you may have to assist you in making your decision. It is important to keep such documentation safe for future reference.

All written and verbal communications will be made in English language. The methods of communication used shall be via phone conversations, electronic mail, postal mail, or any other form of communication as necessary.

Our Independence

We, as an independent Insurance Intermediary and Distributor, do not have any direct or indirect holding or voting rights in any Manufacturer of insurance products, insurance undertaking or a parent undertaking of such insurance undertaking, nor do any such parties have any form of direct or indirect holding in us.

Choice of Law and Jurisdiction

The insurance policy shall be subject to the law and jurisdiction as stated in the insurance policy document.

Making a Claim

If you need to make a claim on your policy, please refer to the claim section of your policy wording for full details of the claim procedure.

Handling Money

Our financial arrangements with CIEL are on a 'Risk Transfer' basis. This means that we act as agents of the insurer in collecting premiums and handling refunds due to clients and hence, the insurer assumes all the credit risk emanating from premium payment. In these circumstances, our credit risk is automatically eliminated, thus rendering the requirement for the maintenance of the 4% of the annual gross premium receivable, for solvency purposes, irrelevant. As an independent insurance broker, we shall place the policyholder's interests first and hence this will not create any conflict of interest in the placement of the insurance policy.

Payment for our Services

In good time before the conclusion of each insurance contract, or upon renewal, in order to remind you of your right to be informed of the level of commission which we receive from underwriters we will freely make available a copy of our Terms of Business on our website.

We also charge you for handling your insurances as follows:

- **New Business** - € nil
- **Mid Term Amendments** - €10.00
Mid Term Adjustment fees will be automatically deducted from the card details we hold on file. If the adjustment to the policy also requires an increase in insurance premium, we will take payment once the adjusted cost of cover has been confirmed and agreed with you. Please note that any unpaid fees or additional premium may result in your cover becoming invalid.
- **Cancellations**
 - *Please refer to the 'Ending Your Relationship With Us' section of this document.*

- **Posting documentation** – € nil
 - *(If you would like to receive a copy of your documentation in paper format for no charge, including braille or large print, please contact us via our website)*

You will receive a quotation which will tell you the total price to be paid, and which identifies any fees, taxes and charges separately from the premium, before your insurance arrangements are concluded. Full payment of premium, fees and surcharges are due before cover commences.

Automatic Renewal

If you have an annual policy and have not opted-out of automatic renewal, your policy will automatically renew at the expiry of your period of insurance, upon receipt of your renewal premium, unless you inform us otherwise. The renewal premium will be collected using the payment

card details provided when your policy was first arranged. You may stop your automatic renewal or change your payment details at any time by contacting us prior to the expiry date on your certificate of insurance. We will send you a renewal notice prior to the expiry of your policy. The terms of your insurance cover and the premium rates may be varied by us at the renewal date, and should this be the case, we will provide you with written notice in a reasonable period prior to the renewal date of your policy.
