## Your Responsibilities

You are responsible for answering any questions in relation to any proposal for insurance cover honestly and to the best of your knowledge, providing complete and accurate information which insurers will require. This also applies to your responses in relation to any assumptions you may agree to in the process of applying for insurance cover. If you fail to disclose information or misrepresent any fact which may influence the insurer's decision to accept the risk or the terms offered, this could invalidate the policy and mean that claims may not be paid.

It is important that you read all insurance documents issued to you and ensure that you are aware of the cover, limits and other terms that apply. Particular attention must be paid to any warranties and conditions as failure to comply with them could invalidate your policy. You must inform us immediately of any changes in circumstances which may affect the services provided by us or the cover provided by your policy. If you are unsure about any matter, please contact us for guidance.

## Policy Amendments

If you contact us to request a change to your policy, we will usually respond within two working days. Changes will not be considered to have taken effect until we have confirmed them to you in writing and, if applicable, collected the relevant premium. If you have not heard from us within 2 working days of submitting your request, you should attempt to contact us again via the contact us page of our website.

### Extending Single Trip Cover when we are closed

If you have a SINGLE TRIP car hire excess insurance policy, and you need to extend the cover dates, purchase a policy from our website BEFORE your existing covers expires. In order to maintain continuous cover, the additional policy must start immediately after your existing cover expires and have an expiry date from after the hire car has been returned.

## Our Services

We source and arrange products but do not offer advice or make recommendations when arranging your insurance. However, we may ask some questions to narrow down the selection of products on which we will provide details; you will then need to make your own choice about how to proceed. In providing our service, we act as an agent of the insurer.

When we sell you a policy, we receive commission from the insurer which is a percentage of the total premium. You are entitled, at any time, to request information regarding any commission which we may have received as a result of placing your insurance business. We will not in any circumstance guarantee the solvency of any insurer.

### Making a Claim

If you need to make a claim on your policy, please refer to the claim section of your policy wording for full details of the claim procedure.

### Handling Money

Our financial arrangements with all insurance companies are on a 'Risk Transfer' basis. This means that we act as agents of the insurer in collecting premiums and handling refunds due to clients. In these circumstances, such monies are deemed to be held by the insurer with which your insurance is arranged.

## Payment for our Services

In good time before the conclusion of each insurance contract, or upon renewal, in order to remind you of your right to be informed of the level of commission which we receive from underwriters we will freely make available a copy of our Terms of Business on our website.

We also charge you for handling your insurances as follows:

- **New Business** - £ nil
- **Mid Term Amendments** - £10.00  
*Mid Term Adjustment fees will be automatically deducted from the card details we hold on file. If the adjustment to the policy also requires an increase in insurance premium, we will take payment once the adjusted cost of cover has been confirmed and agreed with you. Please note that any unpaid fees or additional premium may result in your cover becoming invalid.*
- **Cancellations**
  - Please refer to the 'Ending Your Relationship With Us' section of this document.
- **Renewals** - £ nil
- **Posting documentation** – £ nil
  - (If you would like to receive a copy of your documentation in paper format for no charge, including braille or large print, please contact us via our website)
- **Copies of personal data we hold about you** – £ nil
  - (however, we reserve the right to charge a fee of £10 where requests are excessive, including repetitive requests or requests for multiple copies)

You will receive a quotation which will tell you the total price to be paid, and which identifies any fees, taxes and charges separately from the premium, before your insurance arrangements are concluded. Full payment of premium, fees and surcharges are due before cover commences.
